ISSUES

Who We Are...

The Digital Conglomerate Magazine Inc. provides topical insight to the social issues and political realms that surround the conversations of the day. Individuals as well as businesses in particular continuously need to be in the know regarding digital media and expressionism that have had an effects on popular culture today.

We are a quality and innovatively driven publication that talks about political issues, the economy, entertainment, and culture, simply that is what The Digital Conglomerate Magazine Inc. does best. When we come across a unique technological advancement we like to share it with our viewers, clients, partners, and affiliates. Our publication is more than just a magazine we operate as a full service public relations and marketing firm.

Publication & Agency Principals

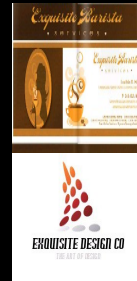

Garland L. McLaughlin - Publisher / Agency CEO

As publisher of The Digital Conglomerate Magazine Inc. & it's marketing agency CEO Garland L. McLaughlin also known as "The Consultingguy" has put together a winning combination of agency experience mixed with creative ventures. Education provided by the economic and political schools of thought have given Mr. McLaughlin a global marketing edge and insight to political, business related, and society issues.

Formulating complex time and budget management techniques have helped his clients take advantage of favorable production and balance sheets, as well as marketplace awareness. Using up to date technological components Mr. McLaughlin tinkers as a Technocrat of evolution who just happens to like learning new programming languages.

As a writer, creative thinker, web developer, public relations professional, and social media personality Mr. McLaughlin always aspires to show off his talents in unique ways. Designing and delivering unique and fully customized digital prints for his clients has been on his mind mostly these days, and getting the message out about his "Grunge Luxury" concept design.

L. Simone Hart - President / Head Marketing Coordinator

Ms. Hart has built a reputation for delivering creative ideas that suit the home and it's occupants perfectly. When Ms. Hart joined The Digital Conglomerate Magazine Inc. marketing agency and publication she brought with her a talent for breaking down complex marketing issues and turning those issues into strategic advantages.

Clients of note include The Breast Cancer Society Inc. & Quench. Ms. Hart is also the creative force behind the well respected brand Exquisite Express Inc. which is also an affiliate brand within The Digital Conglomerate Magazine Inc. family.

With Ms. Hart's spin off design management company Exquisite Design Co., her Exquisite Barista Services company, and with the release of her publication Exquisite Fusion Magazine Ms. Hart brings an energetic and fresh alternative to the marketing, design, and professional consultative services. Together with the solid backing of The Digital Conglomerate Magazine Inc. Ms. Hart is leading the industry with an uplifting sense of direction through her creative style and personal appeal.
